SYNTHETIC ULTRA

LIGHTWEIGHT, FAST, AND OH SO SMOOTH.

The RAZR Synthetic Ultra - a triple threat in the world of ice augers: lightweight, exceptionally fast, and remarkably smooth. The Ultra revolutionizes the game with a staggering 33% reduction in weight compared to conventional steel augers, setting a new standard for today's mobile angler. Built on the foundation of our reliable steel blade carriage, featuring RAZR Pro Curved Blades and a Center Point for steadiness, the Synthetic Ultra proudly incorporates our exclusive Ice Wing technology. Ice wings are engineered for an ultra-smooth transition from ice to water, eliminating any jarring or binding at the end of the hole. Get ready for a drilling experience that epitomizes precision, speed, and effortless operation - the RAZR Synthetic Ultra is the new benchmark for ice augers.

FEATURES

- Pairs with 18V+ brushless drill · 1/2" chuck
- Pairs with universal power heads · 22mm
- Drills through 36" of ice without an extension
- Lightweight & replaceable flighting
- Pro Curved Blades with center point blade
- Steel Blade Carriage equipped with Ice Wings
- Works with reverse function on drill to flush slush

AVAILABLE ACCESSORIES

- Ultra Drill Plate Adapter
- 8,12,20 Inch Extensions
- Blade Guards & Blade Guard Straps

EACH BOX CONTAINS

- Synthetic Ultra Ice Drill
- Ultra Drill Adapter
- Easy View Flange (prevents auger loss)
- Pro Curved Blades & Blade Guard
- Allen Wrench & Collar Bolt
- 1 Replacement Flighting
- Instruction Manual / Registration Card

WARRANTY

- Ice Auger · 3 Years Manufacture Defects

SYNTHETIC LITE

WHEN WEIGHT, SPEED, AND SIZE MATTER MOST

The RAZR Synthetic Lite - an innovation that defies expectations. Fully adjustable, and the most compact brushless drill ice auger on the market, this is the lightest platform we offer. With a height range from 31 to 42 inches, catering to various angler heights and ice thickness. The Lite performs best in up to 25 inches of ice with its reduced flighting. Unleash its potential with an 18v+ brushless drill. The Synthetic Lite has a steel blade carriage, RAZR Curved Blades, a Center Point, and exclusive Ice Wings - all designed for optimal performance. Ask yourself: Is a full-size auger or 40v power head truly needed for ice under 25 inches? The resounding answer is no. Make a bold impression, champion efficiency, and let the Synthetic Lite redefine your approach to ice augers.

FEATURES

- Pairs with 18V+ brushless drill · 1/2" chuck
- Pairs with optional hand auger handles
- Compact design for 25" of ice or less
- Lightweight & replaceable flighting
- Curved Blades with center point blade
- Steel Blade Carriage equipped with Ice Wings
- Works with reverse function on drill to flush slush

AVAILABLE ACCESSORIES

- Drill Plate Extension Adapter
- In-Line Hand Auger Handle
- Blade Guards & Blade Guard Straps

THE SCOUT

PICK YOUR POISON - 5 SIZES AVAILABLE

The RAZR Scout® Ice Auger – an affordable but high quality ice auger that is tailored for your 18v+ brushless drill. It is built from long-lasting steel for years of use. Say farewell to tedious assemblies; everything you need to secure this auger is neatly packed in the box. The Scout is armed with efficient Curved Blades and a center point, ensuring a drilling experience that's fast and smooth. Engineered for use in up to 25" of ice, these units adjust from 31" to 42" to accommodate different angler height and the ever-changing thickness of ice. Rest easy with the Easy-View Safety Flange preventing any accidental auger loss. Take your pick from the lineup of 4", 5", 6", 7", and 8" drill sizes – the RAZR Scout blends affordability with high-quality performance.

FEATURES

- Pairs with 18V+ brushless drill · 1/2" chuck
- Compact design for 25" of ice or less
- Steel Flighting for durability in any conditions
- Curved Blades with center point blade
- Steel Blade Carriage
- Ice Wings on 6" and 8" Models

THE SCOUT KIT

THE RAZR SCOUT + HAND AUGER HANDLE

Our RAZR Scout® Kit – the ultimate auger solution adaptable to your 18v+ brushless drill and complemented by a hand auger handle. Ideal for anglers of all experience levels, this kit offers versatility and convenience. Equipped with a center point, this auger integrates with your brushless drill using the included drill adapter and extension. Alternatively, power it by hand with the provided In-Line Handle, perfect for early ice or those without a brushless drill. For brushless drill users, the auger's length is adjustable from 31" to 43". Choose from a range of sizes – 4", 5", 6", 7", and 8". The RAZR Scout® Kit ensures a blend of functionality and adaptability for your ice fishing needs.

FEATURES

- Pairs with brushless drill or Hand Auger Handle
- Compact design for 25" of ice or less
- Steel Flighting for durability in any conditions
- Curved Blades with center point blade
- Steel Blade Carriage
- Ice Wings on 6" and 8" Models

FLAT BLADE HAND AUGERS

AFFORDABLE, BUILT TO LAST, AND EASY TO USE

RAZR Flat Blade Hand Augers – the perfect choice for budget-conscious ice anglers seeking an affordable way to enjoy ice fishing. These lightweight models, available in 4", 5", 6", 7", and 8" drill sizes, feature fast-cutting shaver-style Flat Blades, providing exceptional value that's hard to match. Constructed with durable steel auger flighting and a protective powder coat, these hand augers are built to withstand many seasons of use. With an ergonomic handle and grip, handle height ranging from 48" to 57", these hand augers offer a comfortable drilling experience. Plus, they come with a blade guard to extend blade life and a reassuring 5-year warranty, making them an easy choice to pack in your sled this year.

PRO CURVED BLADES

LEADING THE PACK IN SPEED, EFFICIENCY, AND DURABILITY

Precision-engineered with the perfect shape to shave the ice layer by layer, drawing the auger downward with minimal pressure, RAZR's Pro Curved Blades redefine the drilling experience. They outperform all styles and types of flat and chipper blade styles. Our Pro Curved Blades feature serrations in the cutting edge, purposefully engineered to clear debris and make them the fastest and most durable blades in RAZR Ice Augers' lineup. Available in five sizes from 4" to 8", these blades are standard on the RAZR Synthetic Ultra but are available as an optional blade for the RAZR Synthetic Lite and RAZR Scout 6", 7", and 8" models.

FEATURES

- Dual Pro Curved Blades w/serrations
- Serrations add durability to cutting edge
- Available in 6", 7", 8", 10" sizes

EACH PACKAGE CONTAINS

- Curved Blades (set)
- Replacement Bolt Sets (8mm)

PRO CURVED BLADES FIT:

- RAZR Synthetic Ultra Drill Units
- RAZR Power Auger Drill Units
- RAZR Synthetic Lite Drill Units (6" & 8")
- RAZR Scout Drill Units (6"- 8")

CURVED BLADES

TIME-HONORED BLADE STYLE FOR SUPERIOR DRILLING

Renowned for their distinctive design and cutting-edge efficiency, RAZR's Curved Blades stand out as the optimal choice for ice augers. These blades, shaped for maximum effectiveness, effortlessly shave the ice layer by layer, drawing downward through the ice with minimal user pressure. They outperform all styles and types of flat and chipper blades, providing a superior and frustration-free drilling experience. Available for drill sizes ranging from 4" to 8", these cutting-edge blades define excellence in the world of ice augers and are standard on the RAZR Synthetic Lite, Scout, and Curved Blade Hand Auger Drills

FEATURES

- Dual Curved Blades
- Available in 4", 5", 6", 7", 8" sizes

EACH PACKAGE CONTAINS

- Pro Curved Blades (set)
- Replacement Bolt Sets (8mm)

FLAT BLADES

AFFORDABLE EXCELLENCE: RAZR FLAT BLADES

Experience the trifecta of longevity, razor-sharp precision, and budget-friendly affordability with RAZR's Flat Hand Blades, specially crafted for use with RAZR Flat Blade Hand Augers. Exercise utmost caution when handling these shaver-style blades, available in sizes ranging from 4" to 8". What distinguishes these blades is their universal fit, making them suitable for most flat blade hand augers on the market. This versatility makes RAZR's Flat Blades an ideal choice for anglers in need of replacement blades, offering an affordable yet high-quality solution to keep your auger in top shape for quickly cutting holes.

FEATURES

- Dual Flat Blades
- Flat Shaver Style Cutting Edge
- Available in 4", 5", 6", 7" and 8" sizes
